

INFO PACK FOR THE YOUNG DANCE NETWORK GATHERING

INFORMATION ABOUT "THINK BIG!"

THINK BIG! is an international dance and performance festival for young audience, which takes place for the sixth time, this year between 13 - 22 July 2018. It is organised by Tanz und Schule /Fokus Tanz München in collaboration with Schauburg - Theater for young audience. Fokus Tanz is working with more than 25 dance educators in schools. They teach throughout the year and offer children and youngsters access to contemporary dance.

The festival was founded in 2011 and gives space to many national and international artists to present their works to young spectators and family audience. It serves also as a platform for professional exchange and further education. This way the festival is filling a gap in the cultural landscape in the south of Germany. THINK BIG! is part of Munich's initiative ACCESS TO DANCE.
